### **OPERATIVE FACTS**

21. On or about March 9, 2022, at around 6:14 p.m., Plaintiff Heriberto Colon-Torres ("Plaintiff") was the licensed owner and operator of a 1994 Blue Honda Civic (hereinafter "Honda") traveling Eastbound on Route 422, mile-marker 422, Pottstown, Pennsylvania.

22. At the aforementioned time and place, Defendant Serrano was the licensed operator of a 2001 white Mack truck, baring license plate number NJ AX748H (hereinafter "the Truck"), owned by Defendant Zeisloft, traveling eastbound behind Plaintiff.

23. At the aforementioned time and place, trailing the Truck was a dual rear axle semi-trailer, bearing license plate number NJ TJV89F (hereinafter "the Trailer"), owned by Defendant Zeisloft.

24. Upon information and belief, and at the aforementioned time and place, Plaintiff was traveling in the right lane of Route 422 Eastbound.

25. Upon information and belief, and at the aforementioned time and place, Defendant Serrano initiated a lane change of the Truck from the left lane into the right lane of Route 422 Eastbound.

26. Upon information and belief, and at the aforementioned time and place, Defendant Serrano was operating the Truck in a careless and reckless manner, driving extremely close to Plaintiff.

27. Upon information and belief, at the aforementioned time and place, and as a result of the careless and reckless driving of Defendant Serrano, in order to avoid a collision Plaintiff veered his Honda to the left, crossing into the left lane, impacting the median wall, and then crossed back to the right, impacting the approximate midpoint of the Truck.

28. According to the March 9, 2022, Police Report, that purports to document collected facts and circumstances regarding the subject incident, Defendant Serrano stated that Plaintiff's Honda was "behind him when it lost control and indicated he observed this in his mirror;" this version of events was directly contradicted by eyewitness Stephanie Paoculli and by the images taken of the accident and recorded by the dashcam mentioned in paragraph 32.

29. According to the Police Report, an eyewitness, Stephanie Paolucci, stated that when the Defendants' Truck changed lanes, it appeared "very close" behind Plaintiff's Honda and possibly made physical contact with the it.

30. Upon information and belief, Plaintiff was trapped, in his Honda, underneath the Truck driven by Defendant Serrano and owned by Defendant Zeisloft—Plaintiff's Honda was dragged by the Truck for approximately 200 feet.

31. On or about March 23, 2022, investigating officers received dash cam footage from Defendant Zeisloft giving a perspective of another one of Defendant Zeisloft's trucks that was traveling behind Defendant Serrano.

32. According to the Police Report, "The position and movements depicted in the video appear consistent with the account provided by witness Stephanie Paolucci."
